

Caregiver Café Symposium

Hosted by Robin Ennis, LLC, Caregiver Resource and Information Specialist
and DAWN Center for Independent Living.

Join us for a supportive and engaging morning for caregivers of all kinds. Whether you're caring for a loved one, a friend, or supporting someone in your community, this conference offers time to pause, reflect, and focus on your own well-being.

This FREE event begins with a brief overview on the importance of caregiving, followed by interactive breakout sessions that participants will rotate through.

BREAKOUT SESSIONS:

- Mental Health Check-in & Coping Strategies
- Relaxation & Unplugging Techniques
- Self-care & Resource Mapping
- Virtual Dementia Tour (VDT) - a simulation of dementia

Gain practical tools, new perspectives, and leave feeling supported and better equipped in your caregiving journey.

This event is provided in collaboration with Penn Medicine Princeton Health.
